North Bethesda Camera Club – Membership Waiting List Application

NBCC membership is currently limited to 175 members and is typically filled. We maintain a waiting list so those who wish to join in the future can reserve a place in line. It is our hope that everyone on the waiting list can be admitted for the upcoming year or so, but this depends on how many current NBCC members renew their membership.

After the renewal deadline for current members (June 15th), available memberships will be offered to those on the waiting list on a first-come, first-served basis as recorded on the waiting list. We shall attempt contact by email and/or by telephone, using the contact information provided on this form. Those receiving invitations to join are given 15 days to confirm their membership with a completed membership application and dues paid in full. If they decline to join or do not confirm by the end of 15 days, they are taken off the waiting list and the next person on the list is invited. The process continues until either the waiting list is empty or the membership fills.

Note that NBCC cannot be responsible for obsolete contact information for those on the waiting list. Be sure to resubmit this form if your contact information changes.

This application is to add ONE person to the waiting list for future membership in NBCC. Please do NOT send a check with this application.
