

North Bethesda Camera Club STAR AWARDS 2017-2018

The accumulated Star Awards system was realigned in 2011 to accommodate our ever-changing categories.

Star Certificates are awarded to Advanced photographers in recognition of their photographic excellence and competitive spirit. This is demonstrated by their cumulative Advanced points in NBCC monthly competitions throughout the years of their membership. Points for each member are combined from all Advanced categories.

The following members have reached Newly Achieved Levels of Advanced Points and thus a new Star on their cap.

North Bethesda Camera Club TOP TEN PRINTS 2017-2018

Top Ten Prints of the Year

Judged by Roy Sewall, Alan Sislen & Judy Switt

The "in-house" print judging was expanded to include all 1st, 2nd, 3rd and Honorable Mentions. Since prints should be judged on their actual print quality, as well as all the other basics, our panel of Roy Sewall, Alan Sislen and Judy Switt studied all the images for many hours to come up with the Top Ten Prints. There were 93 print winners this year, of which 90 were turned in for the Year-End Judging. (Would the following members please come to the front for a group picture)
